

Piping Solutions

1. Pipe Spool Fabrication
2. Pipeline Installation
3. Pipeline Repairing & Retubing
4. GRE Pipe Repair
5. Boiler Retubing

6. Oil Flush
7. Pipe & Piping Accessories Supply
8. Offshore Pipeline Labels Supply
9. Marine Plastic Tubes & Fittings Supply

Boiler Retubing

Pipeline Emergency Repair of All Marine Piping Systems

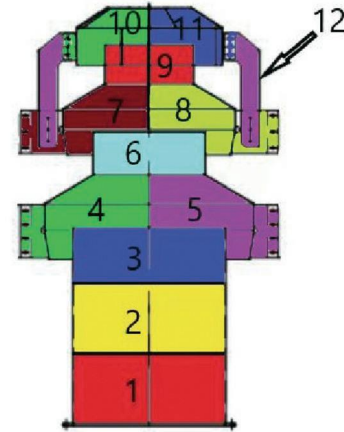

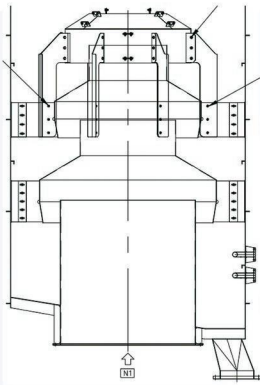

ISO 9001 Certification from CCS, Welding Workshop Approval Certificate from ABS, and WPS from both CCS and ABS. Now our certified welding materials cover from carbon steel, stainless steel, duplex stainless steel (S32205), super duplex stainless steel (S32750) to SMO 254.

Scrubber Repair (SMO254)

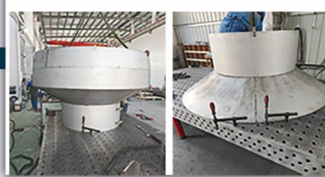

On-board Measurement → SMO254 Pre-fabrication → Install On-site

(1) Plate Cutting

(2) Assembling

(3) Welding

(6) Delivery to Site

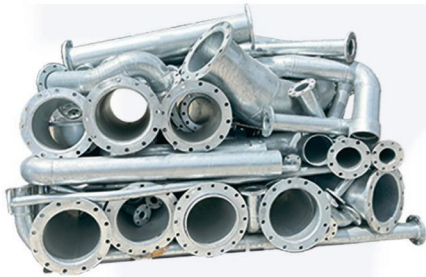

(5) Acid Pickling & Passivation

(4) Quality Check
